

# Europe Innovation Committee

## **Purpose**

The Europe Council Innovation Committee is established to support and drive the adoption of innovative initiatives across PBSA Europe membership.

The Innovation Committee:

1. Keeps up to date with the latest technologies that are/can be used for the screening industry
2. Facilitates knowledge share and demos between members with regards to new approaches in the screening industry
3. Will ensure activities of the group are education-based only, will not be used as sales or promotional opportunities for one or more members in compliance with the association's Anti-Trust Policy.

## **Reporting**

The Europe Innovation Committee reports to Europe Council.

## **Meetings**

The Innovation Committee meets monthly, as well as on an as-needed basis.

## **Interested Joining? We'd Love To Have You.**

The Innovation Committee is in need of volunteers driven by innovative approaches to day-to-day business.
