

2022 PBSA Europe ANNUAL CONFERENCE

Agenda

June 23rd

CRANFIELD, MILTON KEYNES, UNITED KINGDOM

PBSA Europe Annual Conference 2022
Thursday 23rd June 2022, 10.00am – 4.00pm (GMT)

The Future of Employment Screening

Just as the world of work has changed beyond recognition to what it was pre-pandemic, so has the employment screening industry from a vendor, a customer and a candidate lens. Speed and candidate experience are ‘must haves’ in our new world, and process automation is now expected as standard. However, in line with seismic digital advances, the security of - and focus on - personal data has never been more important with secure transfers of personal data across shores a key focus. It’s therefore critical as an industry we keep abreast of the rapidly changing landscape of employment screening.

Our 2022 PBSA Europe Annual Conference, which we are holding face to face (and virtually) for our PBSA Members at the prestigious Cranfield University venue, in UK, focuses on these critical areas, sharing ‘must know’ latest thinking and developments on how we, as individual businesses and as an industry, embrace post pandemic opportunities and trends, and continue to evolve.

Virtual and in person attendance available

In-person venue location: **Venue Cranfield**, Wharley End, Cranfield, Milton Keynes, MK43 0HG, United Kingdom ([Conferences at Cranfield](#))
Delegates: PBSA members (free)
